## LEARNING OBJECTIVES

- Examine the similarities and differences of trauma systems and trauma care practices among countries of the world
- Discuss practical, evidence-based techniques and guidelines to care for the severely injured patient
- Review the evolution of technology use in trauma and its impact on high/low resources settings

## CONTINUING EDUCATION FOR PHYSICIANS

This activity has been planned and implemented in accordance with the requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Phoenix Children's Hospital and Trauma Conference International. Phoenix Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Phoenix Children's Hospital designates this live activity for a maximum of *14 AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

At the time of this publication, full speaker disclosures were not available. Full disclosure will be made available to all attendees prior to this activity.

Earn up to 14 hours of MOC CME! Over a three year period, the ABS requires 30 MOC credits. TCI allows you to earn up to 14 hours MOC CME in just two days!

## CONFERENCE INFORMATION

- Course materials will be available online and during onsite registration.
- Please report any special needs to [info@traumacon.org](mailto:info@traumacon.org) by August 1, 2017.
- To receive a refund of your registration, contact [info@traumacon.org](mailto:info@traumacon.org) before July 16, 2017. There will be no refunds issued after July 16, 2017. Hotel cancellations MUST be directed to the Fairmont Royal York and are between you/hotel. If you are unable to attend, consider sending one of your colleagues.
- In the unlikely event this conference is cancelled, conference fees will be refunded to registered participants; refunds of consequent expenses, travel and lodging, cannot be made by Trauma Conference International.

**For more information, visit us online at [www.traumacon.org](http://www.traumacon.org) or contact us at (602) 933-5670 or toll free (844) 933-5670**
