

WESTERN PEDIATRIC TRAUMA CONFERENCE

Santa Barbara, California

JULY 12-14, 2017

BACARA RESORT & SPA

www.pedtrauma.org

Come sink your heels into California's sandy Santa Barbara beaches. The Western Pediatric Trauma Conference will take place July 12-14, 2017 in Santa Barbara, California at the Bacara Resort and Spa.

The Western Pediatric Trauma Conference features nationally renowned faculty in the fields of pediatric trauma, the pediatric surgical sub-specialties, critical care, emergency medicine and pre-hospital care. The program content is targeted to physicians and health care professionals who care for injured children. Participants will be able to propose practice improvements to their teams based on evidence-based guidelines, tools and resources presented at the conference.

Opportunities for oral and poster abstract (scientific and best practice) presentations are available. Oral presentations are eligible for manuscript publication in the Journal of Pediatric Surgery or the Journal of Trauma Nursing. For complete information visit www.pedtrauma.org.

CONFERENCE OUTCOMES

This educational offering enables the pediatric healthcare provider to:

- Apply newly acquired knowledge in the management of pediatric trauma patients.
- Formulate resuscitation strategies using evidence-based guidelines.
- Select appropriate diagnostic and therapeutic algorithms for specific injury types.
- Assess the evidence supporting diagnostic algorithms and clinical pathways.

CONTINUING EDUCATION CREDIT

A certificate of attendance will be available upon completion of the online evaluation. Claim only those hours you attend (7/12: 6.5 hours, 7/13: 6.25 hours, 7/14: 3.75 hours).

Physicians: Phoenix Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Phoenix Children's Hospital designates this live activity for a maximum of 16.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nursing: Phoenix Children's Hospital is an approved provider of continuing nursing education by the Western Multi-State Division, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity offers 16.5 nursing contact hours.

Successful completion is attendance at all presentations. Credit is awarded for the number of sessions fully attended.

EMS: An application for accreditation has been submitted to Commission on Accreditation for Prehospital Continuing Education.

Other: A general certificate of attendance will be provided for all other healthcare providers.

Santa Barbara, California

Where golden hillsides cascade into sparkling seas. Red-tile roofs give way to abundantly sunny skies and a relaxed coastal way of life is anything but routine. This is where wine country and lush gardens welcome you, festivals and music dance through the streets, and porticos lead to quaint downtown enclaves. Santa Barbara is a one-of-a-kind vacation destination, especially with the kiddos in tow. From interactive museums to endless beach days, there are countless ways to keep everyone, at every age, entertained.
