AAST expects all attendees of the 2022 conference to self-monitor their day-to-day health and proceed accordingly. AAST will provide a list of local testing sites in Chicago, should an attendee wish to be tested. Should an attendee show signs of COVID-19/other ailments, it is the expectation that that attendee will not attend the conference. All attendees also acknowledge that they will adhere to mask and social distance protocols put in place by the event organizers and the hotel and respect others personal space.

☐ Please check this box indicating you understand the following terms regarding COVID-19 Safety Protocols.

EU Residents Only: Opt-in for Purchase of Products, Services, Registration, Other Applications

Personal data collected through registration for events will be held and processed by the American Association for the Surgery of Trauma, their respective employees, agents and contractors (collectively “AAST”), to administer purchased products and services and to conduct such other functions which are necessary to its business operations for three years. AAST may also share your personal data with outside companies offering products and services which may be of interest to you (other purposes).

☐ I understand that my personal data collected through my registration for events will be used to process the registration and I consent for my personal data to be used for the other purposes as stated above.

☐ I understand that my personal data collected through my registration for events will be used to process the registration. I do not consent for my personal data to be used for the other purposes stated above.
