

Exhibitor Events

Schedule

Wednesday, September 11

1:30 – 2:30 PM

Location: Rivoli Ballroom, Product Theater

Utilizing RECELL® Spray-On Skin™ Cells for Definitive Wound Closure

Trauma surgeon Carmen E. Flores, MD, FACS, will discuss her RECELL experience.

Hosted by Avita Medical

Thursday, September 12

12:45 – 1:45 PM

Location: Versailles 3-4

CLR-enabled Thoracic Irrigation for Hemothorax Management

A panel of trauma surgeons will review the emerging data and their clinical experience with CLR-enabled thoracic irrigation for the management of hemothorax. The surgeons will also discuss how CLR irrigation was introduced into their institutions' workflows and protocolized to maximize the benefit. Lunch will be provided.

Hosted by CLR Medical

For more information and to register, contact Miranda Miller at miranda@clrmedical.com or stop by the CLR Medical booth.

Thursday, September 12

3:00 – 5:00 PM

Location: Versailles 3-4
