Annual Meeting

Exhibitor Prospectus

Thank you
for your past support

Welcome to the 82nd Annual Meeting

Dear Exhibitor:

First, I want to thank the many exhibitors that supported AAST last year. We were so excited to be back fully in 2022.

In 2021, the AAST switched its meeting pattern to start Wednesday morning and end on Saturday afternoon, with a free or additional educational sessions on Thursday afternoon.

In 2019, AAST instituted two exhibit hall only events: Welcome Reception on day 1, Wednesday night, and a lunch with exhibits on Friday. In 2022, we instituted a new event call the “Party Light” to help drive traffic to the booths. We evaluated these events and will be updating them for 2023.

- ▶ The conference guide last year, was well received and we are going to be updating the information in it to draw the attendees to it. Make sure you fill out your exhibitor information, so it is included in the book.
- ▶ We are adjusting the hours and the lengths of the breaks to drive traffic.

Continuing in 2023:

- ▶ Passport to prizes – attendees get cards stamped from 10 exhibitors for a chance to win a trip to the 2024 Annual Meeting
- ▶ Best of... – attendees select exhibitors by category to win best of.

AAST is committed to driving traffic to the exhibit hall and for you, the exhibiting company, to find value in exhibiting at AAST.

I look forward to seeing you at the 82nd Annual Meeting of AAST and Clinical Congress of Acute Care Surgery, September 20-23, 2023, Anaheim, California.

Sincerely,

Sharon Gautschy
AAST Executive Director

Individual gifts in the general range of \$100 are acceptable. No gifts over \$100 are permitted. Exhibitors must follow the AMA Guidelines on Gifts to Physicians from Industry. Any gifts accepted by physicians individually should primarily entail a benefit to patients. Accordingly, textbooks, modest meals, and other gifts are appropriate if they serve a genuine educational function. Cash payments may not be offered.

HOTEL INFORMATION—The AAST meeting will be held at the Hilton Anaheim in Anaheim, CA. To verify that all hotel rooms within the AAST block are properly allocated, AAST will actively monitor the housing process. All housing reservations must be made via AAST website at www.aast.org. Visit AAST website at <https://www.aast.org/annual-meeting/hotel> for more details. The reservation cutoff date at the Hilton Anaheim is August XX, 2022. Reservations made after the deadline date, or when room block fills, are subject to rate and space availability.

UNAUTHORIZED SOLICITATIONS FROM HOTELS—ALL hotel reservations for AAST must be made via the AAST website. Be aware of hotel resellers who may contact you offering accommodations they are not endorsed by or affiliated with AAST. Beware, entering into financial agreements with non-endorsed companies can have costly consequences.

LASER POLICY—Exhibiting companies planning to demonstrate laser equipment and other potentially hazardous light sources must request laser information from AAST management.

LEAD RETRIEVAL—Lead retrieval information will be included in the Exhibitor Service Manual.

LIST RENTAL—Exhibitors will have the opportunity to purchase the preregistration attendee list before the meeting and the final attendee list after the close of the meeting. Additional Information, including pricing and guidelines, will be available in the Service Manual.

NON-CONTRACTED EXHIBIT SPACE—Any person, firm, or organization not having contracted with the AAST for the occupancy of space in the exhibit hall will not be permitted to display or demonstrate any products, processes or services; solicit orders, or distribute advertising materials at the Hilton Anaheim, or in any hotel used by AAST to house registrants. Any noncompliance with this regulation will result in the prompt removal of the offending person(s) and property from the area. No exhibit will be permitted in a hotel room.

PHOTOGRAPHERS—All exhibiting companies hiring a photographer during the AAST Annual Meeting must submit in writing the name of the photographic firm to the AAST Exhibit Management office. Unauthorized photographers or camera equipment will not be allowed into the exhibit hall.

RAFFLES/PRIZE DRAWING—Exhibitors may conduct raffles or have individual prize drawings in their assigned booths. All raffle prizes must be approved by AAST Management.

RESTRICTIONS IN OPERATION OF EXHIBITS—The AAST reserves the right to restrict exhibits that because of sound, method of operations, materials, content, or are for any reason objectionable. AAST also reserves the right to prohibit or evict any exhibit that, in the opinion of AAST Management, may detract from the general character of the exhibit as a whole. This reservation includes persons, things, conduct, printed matter, food and beverages, or anything of a character that AAST Management determines is objectionable to the exhibit. In addition, all demonstrations, interviews, or instructional activities must be confined to the limits of the exhibit booth. Any person canvassing in any part of Hilton Anaheim will be required to leave the building. In the event of such restriction or eviction, AAST and AAST Exhibit Management are not liable for any refunds of rentals or other exhibit expense.

SALES AND ORDER TAKING—Exhibitors are free to solicit sales and take orders within the exhibit hall only.

SECURITY—Security officers will be stationed in the exhibit hall continuously from 4:00 p.m. Tuesday, September 19, through 1:30 pm on Friday, September 22. Children under the age of 16 are not permitted in the hall at any time.

SIGNS—One 7” x 44” ID sign will be furnished to each exhibitor by AAST Decorator. Forms for ordering additional signs will be provided in the online Exhibitor Service Manual. Only professionally printed signs are permissible.

SOUND—Sound/audiovisual devices, effects, and demonstrations will be permitted only in those locations and at such sound intensity (maximum 80 decibels or “dB”) as, in the opinion of AAST, do not interfere with the activities of neighboring exhibitors. Sound levels exceeding 80 dB are deemed inappropriate and must be discontinued.

Contractual Considerations

INSURANCE—Insurance on all exhibits is the responsibility of the exhibitor. AAST or AAST Management will not assume any responsibility for property loss or damage to personal property, as stated in the section on limitation of liability. Each exhibitor shall, at their own cost and expense, provide general liability insurance in an amount not less than \$2,000,000. This insurance should recognize AAST and the American College of Surgeons as an additional insured. Service orders will only be fulfilled by the official exhibit hall decorator when booth space is paid for in full and a certificate of insurance has been submitted.

LIMITATION OF LIABILITY—It is mutually agreed by and among AAST, AAST Management, and the exhibitor that AAST and AAST Management shall have no liability whatsoever

to an exhibitor, its employees, or its business invitees; or have any liability for loss or damage to the property of the exhibitor, its employees, or its business invitees resulting from any cause. It is further understood and agreed that all claims against AAST and AAST Management for any damage, loss, or injury are expressly waived by the exhibitor and assumed by the exhibitor as its responsibility. Space is leased with the understanding that AAST, AAST Management, the official Decorator, and the Hilton Anaheim assume no liability whatsoever for damages for any act of omission in connection with the said agency, and the exhibitor and its representative(s) hereby keep forever harmless AAST, AAST Management, the official Decorator and the Hilton Anaheim from any and all liabilities for loss ensuing from any cause. It is further understood and agreed that the AAST and AAST Management shall in no event be liable to an exhibitor for any lost profits, sales, or business opportunities or any other type of direct or consequential damages alleged to be due from a breach of this contract. It is understood and agreed that the sole liability of AAST and AAST Management to the exhibitor for any breach of the contract shall be for the refund of all amounts paid by the exhibitor pursuant to this contract, as an exclusive remedy. The exhibitor agrees to abide by all applicable laws, ordinances, and rules and regulations, including but not limited to those of the State of California, the City of Anaheim and the Hilton Anaheim, as may be amended from time to time.

CATASTROPHE—In the event of fire, strikes, or other unavoidable occurrence(s) rendering the exhibit space unfit for use, provisions will be made for the exhibit elsewhere or a proper financial adjustment will be made to the exhibitor.

INSTALLATION AND DISMANTLING—Exhibitor Installation may begin on Tuesday, September 19. Setup must be completed by 10:30 am. on Wednesday, September 20. All display material, packages, crates, etc., not attended to by 10:00 am. on Wednesday, September 20, will be removed by the official Decorator on a time and material basis, and will be done so at the exhibiting company’s expense. Dismantling may begin promptly at 1:30 pm. on Friday, September 23. Dismantling exhibits before the official closing without just cause and/or permission from AAST Management will result in not receiving an invitation to exhibit the following year.

SERVICE CONTRACTOR—The service desk will be open during installation, dismantling, and show hours for your convenience.

INSTALLATION AND DISMANTLING BADGES—These passes are necessary for all unregistered installation and dismantling personnel who want access to the exhibit hall. Setup badges must be presented to the security officers for entrance. Passes may be obtained at the AAST exhibitor registration desk located at the Hilton Anaheim.

SETUP BY NON-OFFICIAL CONTRACTOR—Unpacking, setup, assembling, dismantling, and packing of displays and equipment must be done by the correct type of labor. The official service contractor will have skilled craftsmen available to assist exhibitors.

CONFIDENTIALITY — AAST and Exhibitor, on behalf of themselves and their respective agents and employees, agree not to use or disclose at any time any confidential information of the other party or its affiliated groups, unless expressly authorized in writing and/or required by law. Both parties acknowledge that the obligations undertaken in this Section will survive the termination or expiration of this Agreement.

REGISTRATION AND ACCESS TO SCIENTIFIC SESSIONS — All exhibitors must register to participate in AAST 2023 Meeting. Exhibitors receive full access to the meeting, including scientific sessions, with registration. CME is not available to those registered solely as exhibitors, however. Details for exhibitor registration will be available later.

FORCE MAJEURE —The performance of this Agreement by either party is subject to acts of God, war, government regulation, disaster, fire, epidemic, threatened or imminent strikes, civil disorder, curtailment of transportation facilities, threats or terrorist attacks, or other similar occurrence beyond the control of the parties, making it illegal, impossible, or commercially impractical to carry on the Exhibits or fully perform the terms of this Agreement. This Agreement may be terminated, or performance may be excused without penalty, for any one or more of such reasons by written notice from one party to the other.

INDEMNIFICATION AND INSURANCE —Each party agrees to indemnify and hold harmless the other, its agents, and employees from and against all claims, liabilities, and expenses, including reasonable attorneys’ fees, arising from acts, omissions, or breach of this Agreement by the party or its agents or employees. The parties shall each maintain appropriate and sufficient insurance to cover their obligations under this Agreement.

LICENSE OF INTELLECTUAL PROPERTY — AAST and the Exhibitor are each the sole owner of all right, title, and interest to AAST and the Exhibitor’s respective information, including such party’s logo, trademarks, trade names, and copyrighted information, unless otherwise provided (collectively, “Intellectual Property”). AAST and the Exhibitor hereby each grant to the other a limited, non-exclusive license to use certain of the granting party’s Intellectual Property, including names, trademarks, and copyrights, in connection with promotion of the Exhibit Program.

LIMITS IN LIABILITY — In no event shall AAST be liable to the Exhibitor for more than the amount paid under the Agreement.

RELATIONSHIP OF THE PARTIES — AAST and Exhibitor agree that this Agreement is not intended to create any partnership, agency, joint venture, or employer/employee relationship of any kind; both parties agree not to contract any obligations in the name of the other or to use each other’s credit in conducting any activities under this Agreement. The parties agree that exhibiting as part of the Exhibits does not constitute AAST official endorsement, guarantee, acceptance, or approval of Exhibitor, its services, products, programs, or activities.

TERM AND TERMINATION — This Agreement is effective as of the date of last signature and will terminate (i) upon conclusion of the post promotion of the Exhibits, or (ii) upon the occurrence of a material breach (including failure to make timely payments) by either party if such breach is not cured within thirty (30) days after written notice of such breach is received, or (iii) upon thirty (30) days’ notice by AAST to Exhibitor, with or without cause. In the event of termination for material breach by AAST, or termination without cause by AAST, AAST will refund payments made by Exhibitor. Upon any termination of this Agreement, all rights and privileges for use of the other party’s Intellectual Property shall expire, and each party shall discontinue the use of the other party’s Intellectual Property.

MISCELLANEOUS —This Agreement supersedes all prior writings or oral agreements and constitutes the entire agreement between the parties on the subject hereof; it may be amended only by a writing clearly setting forth the amendments and signed by both parties. This Agreement is binding on the parties, their successors, and assigns, provided that no party may assign this Agreement without the prior written consent of the other party. Either party’s waiver of or failure to exercise any right provided for in this Agreement shall not be deemed a waiver of any further or future right under this Agreement. All notices required or permitted hereunder shall be in writing, sent to the parties at the addresses provided by the parties. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Illinois.

INTERPRETATION AND APPLICATION OF RULES AND REGULATIONS — All matters and questions not specifically covered by these Rules and Regulations, are subject to the decision of Jacqueline Mitchell, Associate Director of Convention and Meetings, American College of Surgeons, and Judy Hambrick, Exhibits Manager, American College of Surgeons.
