

This year, we want to continue our initiative

AAST COMMITTEE **CHALLENGE**

Each AAST Committee is being called to raise \$1,500 for Giving Tuesday (November 1-December 3). This is an organization wide competition between AAST committees.

Because of various committee sizes, the winner will be determined by committee participation. This will be calculated by percentage of how many people participate based on the total amount donated.

Each committee chair will receive a total amount their committee has raised. This amount will also be updated on the Giving Tuesday website and the weekly leader will be announced on social media every Tuesday leading up to Giving Tuesday.

The winning committee will be announced December 9, 2019 on social media and through e-mail. Each committee member will have the choice of one comped lunch session at the 79th Annual Meeting in Waikoloa, HI or a logo item shirt.

If you have any questions, please contact Brea Sanders at breasanders@aast.org.
