

## GENERAL FUND

The general fund supports four \$50,000 research scholarships for early surgeon investigators in trauma/surgical critical care and emergency general surgery.

This scholarship is most often the first step in securing major grants for trauma care research & studies.

Help us raise \$200,000 in scholarship money by turning in this card to an AAST staff member.

Invest in the future of trauma care today!

## 20FORTWENTY FUND

A fund designed to support AAST annual meeting scholarships for medical students, residents, and young surgeons, for up to 20 annually.

This scholarship is a great way to support networking and mentorship for the next generation of trauma leaders.

Often, winners have the opportunity to meet future program directors, collaborators, and mentors!

So, let's show our future members a great time and say "This one's on me" by turning in this card to an AAST staff member!

## ALWAYS REMEMBER FUND

A fund designed to support AAST annual meeting scholarships for uniformed medical students, residents, and surgeons.

This scholarship is a great way to support the medical exchange of knowledge between active-duty military surgeons and civilian trauma surgeons.

Winners have an opportunity to meet many of our inactive military trauma surgeons and support attendance to military-specific educational sessions at the AAST Annual Meeting.

Help us raise scholarship money by turning in this card to an AAST staff member
