Certificate of Approval

06-Sep-2022

Title: Assessment of prehospital airway placements in the setting of trauma: An American Association for the Surgery of Trauma multicenter study

COMIRB#: 22-1625

Investigator: Shane Urban

Subject: Initial Application

Sponsor(s): None~

Panel: UCD Panel B

Effective Date: 06-Sep-2022

Expedited Category: 5

Submission ID: APP001-1

SUBMISSION DESCRIPTION:

Initial Submission

This study was reviewed and approved under the “2018 Requirements” of the Federal Policy for the Protection of Human Subjects.

If continuing review is required for your research, your submission is APPROVED until the expiration date listed above. The investigator will need to submit this research for Continuing Review at least 30 days prior to the expiration date. If a study's approval expires, investigators must stop all research activities immediately (including data analysis) and contact the COMIRB office for guidance

If your study has not been assigned an expiration date continuing review is not required for your research. Regardless of continuing review, your research is under IRB oversight. You will receive annual notices from COMIRB about this study until it is closed. You are required to submit changes to your research for approval prior to implementing those changes. You are required to report unanticipated problems and serious or continuing noncompliance to COMIRB. When your research is complete you must report the study closure to COMIRB.

Your responsibilities as Principal Investigator are posted here:
